THREE LEVEL STUDY GUIDE:

INSTRUCTIONS: Scan the statements on this study guide before reading pages 151-153. Then, during or after reading, place a check mark (✓) in the space next to each statement with which you agree. Be sure to be able to refer to the text to support your choices whether you agree with a statement or not.

LEVEL I: RIGHT THERE ON THE PAGE

- ___ 1. A Canadian would probably identify more with a regional or ethnic group than with the nation as a whole.
- ___ 2. The British were the first to settle Canada.
- ___ 3. Canada gained its independence from Great Britain in 1867.
- ___ 4. Quebec may secede from the rest of Canada.
- ___ 5. Most Inuits live in the Northern Territories (Yukon & Northwest).
- ___ 6. Canada's government helped private businesses to develop the transportation system across Canada.

LEVEL II: READING BETWEEN THE LINES

- ___ 7. Canada is more multicultural than the USA.
- ___ 8. Similar laws were made in 1774 and 1931 in Canada to protect a minority.
- ___ 9. Making French the official language of Quebec Province was not such a good move.
- ___ 10. Immigrants have played an important role in the history of Canada like in the USA.
- ___ 11. Canada's government encourages people to celebrate their various ethnic backgrounds and differences more than the USA does for its peoples.

LEVEL III: READING BEYOND THE LINES

- ___ 12. If Quebec secedes, they may have a civil war like that of the USA in the 1860's.
- ___ 13. Visiting different parts of Canada would be more like visiting several countries than if you were visiting different parts of the USA.

___14. To be the prime minister of Canada it would help if you were bilingual.
